Capability Statement – Melton S. Bell Sr.

Company Overview

Melton S. Bell Construction Consultant, LLC is a United States Veteran and Minority Owned Business with over 20 years of experience in construction development, management, and consulting. We offer various services, from Owner Representation and joint Venture Partnerships to Alternative Conflict Resolution.

Specializing in serving the U.S. Federal Government and public/private construction project owners, we deliver unmatched expertise and dependable solutions for complex construction programs.

Melton Bell Construction Consultant continually evolves to not only meet but also exceed the unique service needs of each client.

Our Mission

As a minority and service-disabled veteran-owned business, Melton S. Bell Construction Consultant is fueled by a mission to represent construction firm owners and guide them through every stage of their projects. With years of experience and an unwavering commitment to excellence, we are here to lead, guide, and represent you.

Core Competencies

-  Consulting
-  Managed Services
-  Critical Thinkers
-  Systems | Operation Advisor
